

Outdoor services

We are excited to offer outdoor services at this time. We want to do our part to keep each and every one of you safe and healthy, as well as Pastor Wade and his family. Please do your part and be respectful of these guidelines at this time. If you have questions regarding procedures please contact a member of Council.

1. If you are not feeling well, have a cough, fever, sore throat, or other cold and flu like symptoms you are asked to stay home. If you have been around anyone who has tested positive for Covid-19 please stay home.
2. We will strongly encourage all attendees to wear a mask while outside of your vehicle
3. There will be designated parking spots. Please enter the parking lot through the south entrance (furthest from the building). You will be permitted to set up chairs on the driver's side, outside of your vehicle.
4. We will be broadcasting the service so that you can tune into your cars' radio station to hear the service if you desire.
5. The Order of Service will continue to be emailed/ mailed out each week, please print yours and bring it with you.
6. An offering option will be set up as you exit the parking lot. Please drop your offering off as you drive by. Please do not get out of your car. If you would prefer you can continue to contribute with our online options or mail your check to the church.
7. We will be offering communion as part of the service. If you would like to take part you are asked to bring your own bread and juice with you as we do not have a safe way to distribute to you at this time. In accordance with open container laws we encourage you to use juice during this time instead of wine.
8. Music will be provided by CD.
9. No restrooms will be available, at this time the building will remain closed.

As things continue to change we will also be making adjustments. Please check your email along with the BLC or LCOR Facebook pages and websites for the most up to date changes.

Sincerely,

Your Pastor and Council Members.
