

LUTHERAN CHURCH OF OUR REDEEMER

VISION CASTING ~ 2021

Hello LCOR Member-

Your Church Council would like to invite you to be a part of planning for our future together! We are the church, and together we can grow the church into what we envision our church to be! Your opinion counts and your vision for your church matters. The Council would like to have conversations about our shared vision and what that looks like.

To begin the conversation, we'd like your input on some questions. You can attend an in-person conversation with other church members or you can submit your answers in writing.

To sign up in person, call or email the church office to reserve your spot. Forms available at LCOR on the table in the narthex or use the link in your email or on the website to complete the survey online.

We want to foster positive conversation about our future as a church, therefore if you plan to submit your answers in writing we ask you to please include your name on the form.

Thank you in advance for your time, attention, and commitment to LCOR.

Sincerely,

Your Church Council

What is one thing you love about our church?

What do you want LCOR to look like in the very near future?
In the distant future?

What do you feel is the most important criteria to make a successful church?

What obstacles are there to any growth?

How can you feel more supported as a member?
